

APRIL 1 - 3: WANING GIBBOUS

Waning means decreasing so this is a great time to declutter your physical space and mental chatter through meditation. It is also a good time to simplify your offerings.

APRIL 4: LAST QUARTER MOON

It's time to do that forgiveness work and to let go of grudges and release the anger and resentments from past hurts and wounds.

APRIL 5 - 11: WANING CRESCENT

This is a good time to surrender and to let go of the things that haven't been going smoothly in your business.

APRIL 12: NEW MOON

This time is all about new beginnings so is a great time to launch a new program or product!

APRIL 13 - 19: WAXING CRESCENT

Waxing means growing so things will be picking up momentum now. This is a good time for growth in your business!

APRIL 20: FIRST QUARTER MOON

This is a good time to make decisions around your business.

APRIL 21 - 26: WAXING GIBBOUS

This is a time for growth and a good time to refine those decisions that you are making.

APRIL 27: FULL MOON

This is a great time to release that which is no longer energy rich for you and to start setting those new intentions.

APRIL 28-30: WANING GIBBOUS

Waning means decreasing so this is a great time to declutter your physical space and mental chatter through meditation. It is also a good time to simplify your offerings.
